

Framework to Execute

AMDA Focus Areas

- Exploring approaches/ ideas to better partner with nurses and administrators (e.g. Flu mandate)
- Designing the *Leadership Arm* to engage/ train interdisciplinary leaders
- Move the needle through collaborations between CMOs and other leaders e.g. polypharmacy, opioids
- Strengthening innovation work (AMDA on the GO podcast, i-Portal, Shark Tank, AMDA Talk Project)
- More patient impact thru partnerships with C-Suites
- Positivity: "We are PALTC" campaign

"You have to be burning with an idea, or a problem, or a wrong that you want to right. If you're not passionate enough from the start, you'll never stick it out."
