Best Care Practices in the Post-Acute and Long-Term Care Continuum

Annual Program Description

This program is designed to provide a review and update of major geriatric diseases, illnesses, and risks found in nursing home patients, residents of assisted living facilities, those under hospice care, and seniors living at home. Topics covered this year include: ▲ Anatomy of a Lawsuit ▲ Case-Based Approach to EKG Interpretation ▲ Clinical Updates Workshop ▲ COVID-19 Skin and Long-Haulers ▲ Differentiating Dementia ▲ Domestic Violence ▲ Early Detection and Prevention of Elder Mistreatment ▲ Geriatric Literature Review ▲ Legal Update ▲ Medical Ethics ▲ Medicare Billing & Coding Update ▲ National Leaders Forum ▲ Neuropsychological Symptoms of Dementia ▲ New Age of Bedside Manner ▲ Optimizing Imaging ▲ POLST and Advance Directives ▲ Preparation for Survey Success ▲ Preparing for the Increase of Senior LGBTQ+ Patients ▲ Public Policy Update ▲ Red-Eye Rounds: PALTC and Geriatrics Clinical Quandaries ▲ Regulatory Update ▲ Student Presentations ▲ Treating Wounds

Target Audience

This conference is designed to educate physicians, advanced practice nurses, senior care pharmacists, consultant pharmacists, physician assistants, directors of nursing in LTC, registered nurses, and long-term care administrators, as well as geriatricians, primary care and home care physicians, physicians considering becoming long-term care medical directors, hospice medical directors, or home care medical directors, and others with an interest in geriatrics and its continuum of care. The faculty includes national and regional authorities in the fields of medical direction, senior care pharmacology, post-acute and long-term care medicine, and geriatric medicine.

Annual Program Objectives

Upon completion of the Best Care Practices in the Post-Acute and Long-Term Continuum conference, participants should be able to:

1. Discuss the professional challenges facing medical directors, attending physicians, advanced practice nurses, consultant pharmacists, physician assistants, directors of nursing, and administrators practicing in the continuum
2. Describe the advances in theoretical and clinical knowledge impacting individuals affected by medical issues in the PALTC continuum
3. Discuss the current and emerging national issues and public policy efforts of AMDA – The Society for Post-Acute and Long-Term Care Medicine, Gerontological Advanced Practice Nurses Association, and American College of Emergency Physicians
4. Describe examples of evidence-based practice and multidisciplinary approaches to enhance outcomes in various health care settings
5. List examples of evidence-based practice as it pertains to post-acute and long-term care medicine

Silent Auction to Support Scholarships

FMDA takes an active role in outreach efforts to residents, interns, fellows, and young-career physicians with an interest in PALTC. It has sought to encourage, nurture, and mentor these medical professionals, as well as advanced practice nurse, pharmacist, and PALTC administrator students.

FMDA will be hosting a silent auction during this year's Annual Trade Show. All proceeds will benefit FMDA's Careers in Long-Term Care and AMDA's Futures Program.

FMDA is now accepting NEW donated items to be auctioned off at the conference. If you would like to support this worthy effort, please contact the business office at (561) 689-6321. FMDA is a 501(c)(3) non-profit organization.

* **Product Theaters** – CE/CME credit is not available for Product Theaters. In compliance with PhRMA guidelines, spouses and other guests of health care professionals are not permitted to attend company-sponsored Product Theater programs. COVID-19 SAFETY

FMDA is looking forward to seeing you at our in-person annual conference this November!

While most LTC professionals have been vaccinated for COVID-19, FMDA strongly encourages attendees who have not yet received their vaccine to do so in advance of the conference so we can keep our colleagues and patients safe.
